If it is confirmed for the 7<sup>th</sup>, I'll see to it that the COOP exercise is rescheduled.

If Dec 7, we should ask EMD to reschedule the COOP exercise in the afternoon, as three of us need to excuse ourselves or send alternates.

I think we were talking about meeting here with NDEP, ARC, and us as necessary on December 7 or 8 – NDEP is checking with ARC on scheduling.

I'm deeply grateful to both of you for securing the deferral agreement with NDEP. I know there are challenges and more work ahead. When is the meeting with BP/ARC likely to occur, and where?

Brad C had asked me to hold next Thursday afternoon and all day Friday should we need to confer, but that may not be timely given the need for the 3- party meeting, and Enrique 's travel to the DD meeting quite soon.

Regardless, have a good Thanksgiving holiday!
